

RHS 2020 Vision

Future program/event possibilities

Battle of the Bands	A band competition where the audience or a panel of judges choose the winner. Typically these are rock bands.
Bingo	A game of chance where people get cards of randomized numbers which are then marked off when the caller pulls the matching number from the pool.
Campus Beautification	Projects improving the curb appeal of Redmond High School.
Carnival	A social event typically featuring games, food for purchase, and rides.
Danceathon	A contest where participants attempt to dance for the longest consecutive period of time without stopping.
Game Night (board & active)	A community social event where people get together to play board games, cards, and active games such as basket ball and table tennis.
GameTruck/Arcade for a Day	A community social event centered around renting a set of traveling games (video, pin-ball, etc.)
Haunted House	A social activity where people travel through a series of scary scenes staffed by actors.
Homecoming Parade	A parade characterized by floats and performance teams in support of school spirit before the homecoming dance / football game.
Lip Sync Concert/Contest	A competition where people lip sync to popular music and the audience or a panel of judges chooses the winner.
Live Music Concert	An indoor or outdoor event featuring a live band.
Lunch Time Activities	Games, contests, skits, etc. conducted during the school lunch period.
Maker Faire	Similar to a science fair, a maker faire celebrate arts, crafts, engineering, science projects and the Do-It-Yourself (DIY) mindset.
Movie Night	Host an outdoor movie at Redmond High School.
Music DJ for dances	step up the atmosphere at school dances with a professional DJ
Scavenger Hunt	An event where individuals or teams compete to be the first to bring back all the items on a list. Formerly the items would be physical ones. More current usage has items collected by taking cell phone pictures of them.
Senior Parking Spot Painting	For a fee seniors would be allowed to paint a design in a designated spot that is then theirs for the year. Designs would require pre-approval.
Sports Tailgates	A community social event held before sports events in the parking lot with music and food.
STEM Night	A community event featuring vendors & student projects centered around science, technology, engineering, and mathematics.
Talent Show	A competition where individuals demonstrate their talents on stage in front of an audience. A winner is determined by a panel of judges.
